A Message from Your Library

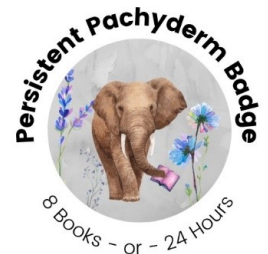

As we are going to press on the July/August newsletter, the library is smack dab in the middle of the annual summer reading program. In case you've missed it, and I hope you haven't, the theme this year is Tails & Tales and just like always the library staff have done a great job of offering a fun program that promotes reading for all ages.

The Friends of the St. Joseph Public Library have continued their crucial yearly support by underwriting the majority of the expenses for the summer reading program. This year, we also received an unexpected and special donation from Jody and Doug Hutton in memory of their daughter Laura. They specifically wanted to help incentivize young people to participate in the summer reading program so donated \$1,000 to be used for 10 \$100 prizes. Anyone from birth to 17 years old who reads, or has read to them, 8 books or for 24 hours will automatically be entered into a drawing for one of the \$100 prizes. They will also earn the Persistent Pachyderm badge on Beanstack.

The Beanstack app tracks reading progress for our summer reading program along with other reading programs we offer, but can be used anytime to simply track reading. Anyone without a computer or mobile device can still participate in the summer reading program and have a chance to earn prizes and win drawings. Just visit your preferred branch and let the librarian know you want to participate, but would like us to track your reading for you.

The Summer Reading Program is fun for all ages but it is also academically important for school age children and teenagers. Studies show that students who participate in a summer reading program are better prepared to return to school in August. In addition to adopting reading buddies, earning prizes, badges, and participating in fun programs everyone gets to read what they want. No assigned reading here!

It's not too late to enroll in our Tails & Tales Summer Reading program and start earning your own prizes and badges. I'd also like to invite you to our End of Summer Reading Shindig on Saturday, July 31. It will be held from 10-2 at Coleman Hawkins Park in Felix Street Square and you can find out more about it in the newsletter.

Beanstack badge in memory of Laura Hutton. Jody and Doug Hutton donated funds for 10 \$100 prize drawings for ages birth to 17 years old who read at least 8 books or for 24 hours.

Happy reading,

Mary Beth Revels

Fairy Tale Fridays

This summer, you can earn Beanstack activity badges by participating in a weekly fairy tale themed scavenger hunt at our library branches. The first step to earning "Fairy Tale Friday" badges is to head over to Beanstack at sjiplibrary.beanstack.org and register for the 2021 Summer Reading Program.

You can earn the series badges by completing five activities weekly. First, watch the weekly Fairy Tale Friday story on our Fairy Tale Friday Playlist at youtube.com/stjosephpubliclibrary, then visit all four St. Joseph Public Library branches to locate a hidden story tile/puzzle piece from the week's featured fairy tale. You will find one story tile/puzzle piece at each branch. Collect all four story tile/puzzle pieces plus watch the weekly Fairy Tale to earn the weekly badge.

Over the course of nine weeks, you'll collect all 36 story tile/puzzle pieces and use them to create a Fairy Tale Friday puzzle as your final challenge. Finally, answer the riddle on Beanstack correctly and you will earn a prize!

Story tile/puzzle pieces from each week will remain available until the end of the summer reading program. So, if you miss a week (or two), you'll still be able to participate.

You'll also receive a special prize when you complete all nine Fairy Tale Friday series badges in Beanstack!
