All programs subject to change due to weather, lack of sign-up, etc. Check the online calendar for the most up-to-date information. Attendance at St. Joseph Public Library programs, events or public spaces constitutes consent to be photographed for use in print and/or electronic publicity for SJPL. If you do not want us to use a photo of you or your child, please tell the library staff member coordinating the event PRIOR to the program.

ShelfLife is published five times a year by the St. Joseph Public Library. Issues: Feb-Mar, Apr-May, Jun-Aug, Sept-Oct, and Nov-Jan.

Every day is a good day to visit the library, but an especially fun day will be Saturday, February 1, which is this year’s Take Your Child to the Library Day. As you can see below, there is a Meet and Greet with a Minion at each of our library branches that day. While you are there, check out a book. Reading improves vocabulary and allows you and your child to explore the world from the comfort of home. All of our libraries have a wide selection of books for all ages and interests. SJPL is also part of the Missouri Evergreen Consortium which gives access to millions of items to check out. Whatever you or your child’s interest, I bet one of our helpful librarians can find a book for you to borrow.

The library is also a great place to socialize. We offer programs and activities for babies to older adults. Programs for babies focus on play and music, and for toddlers and preschoolers we focus on early literacy skills. Children, teens and adults get a combination of fun, education, and skill-building. Learning how to cook a new dish, making new friends, or exploring and discussing a book are just a few of the possibilities the library offers.

So, bring your child to meet a minion and stay for everything else we have for you.
